

~ Gourmet Burgers, Chicken, & Steak ~

Our gourmet burgers are 1/2 lb. Black Angus or substitute a 1/2 lb. Chicken Breast. Burgers and Chicken are served on a pretzel bun, Steak on flat bread.

Halfback Mushroom-N-Swiss

We reformulated this 1/2 lb. Black Angus with grilled mushrooms, Swiss cheese, lettuce, tomato, onion, and mAyo-1-sauce

Halfback Bacon-N- Cheddar

This burger is not a passing situation - it's loaded with thick smoked bacon and Wisconsin cheddar cheese, lettuce, tomato, and red onion, and topped with our apple butter sauce.

Halfback Italian

Try to tackle this burger with a front line of prociutto ham, roasted red papper, parmesan cheese and sundried tomato mayo.

Halfback Blue Salsa

This one will score some points. We melt blue cheese on this half pound steak burger, and drizzle pineapple salsa over the top. It's a little tart, a little sweet, and a little spicy. Actually, there's nothing little about it.

Halfback BBQ

We grilled a burger and a pineapple ring, added grilled onions, cheddar cheese and basted this Angus burger with BBQ sauce fit for a wing.

Halfback Portabelisimo Alfredo

If you can pronounce it, you're doing good, but wait till you taste it! We went to the chalkboard for this one. Black Angus burger topped with breaded portabella mushroom fingers loaded with asiago cheese, our alfredo sauce, and sprinkled with shredded parmesan. Touchdown!

Caddy Melt PGA

It starts with the PGA Pretty Good Angus. This one is better than par and we tee off with a slice; make that two slices of toasted rye, a Swiss cheese wedge, and a large divit of grilled onions. We serve this with spectator chips. Who's your caddy?

YOUR TIME IS IMPORTANT TO US, OUR QUALITY IS IMPORTANT TO YOU!

In an effort to better serve you, please allow additional time when our dining room is busy. We will do our best to take care of every customer in the order they arrive. However, depending on your selection, it may take a little longer than another party who arrived after you. We don't pre-cook food and hold it, as we believe it lessens the quality standards you have come to expect from us. We desire to offer our customers the very best of ingredients and service. We begin preparing your selections once your order is placed. Our prices may seem a little higher, but we believe you'll taste the difference. We don't cut corners on service or quality! Thanks for your patience
